Out with the old term, in with the new!

Well done to all the new students who joined us last term, you have all settled in very well and have showed great enthusiasm!

We would like to congratulate all the students who have recently taken their EPA assessments. All 6 students passed, 4 With 'Pass' Grade, and 2 with 'Distinction'. These are great results, we hope you are just as proud as we are!

Christmas Raffle!

We have launched our Christmas raffle, which all proceeds will be going to suicide prevention Bristol who we are in partnership with. Tickets cost £10 and can be purchased from Reception, or via the QR code on our facebook page! Some of the prizes up for grabs are...

1

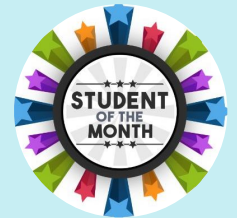

**FORTNUM & MASON

Students of the month

Will Allen

Will has produced some excellent super write ups, he constantly shows his incredible knowledge and is extremely helpful to other students in his class!

Harry Brown

Harry has shown great knowledge in lessons, he always contributes in group discussions and shows good practical skills in the workshop. He is the 'all round' good student!

“National Road Safety Week- 14th November 2022”

We're joining thousands of others in the national safety campaign

The theme of Road Safety Week 2022 is SAFE ROADS FOR ALL, bringing together communities and professionals to shout out for everyone's right to make safe and healthy journeys on safe roads. We will raise awareness of key areas of road safety the Government supports, including safe roads, safe vehicles and speeds, the new hierarchy of road users, and the importance of inclusivity to keep us all safe on the roads, no matter who we are or how we travel.

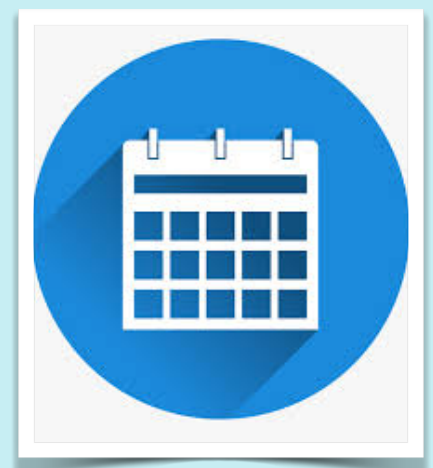

TOP TIPS TO STAY SAFE

- 1 Drivers need to remember to carry out vehicle checks before every journey.
- 2 Passengers must remember to always wear a seat belt. Children should be in a correctly fitted child seat.
- 3 Stick to the speed limit!
- 4 Never drive whilst under the influence of drink or drugs.
- 5 Always wear a helmet when cycling. Bikes should be fitted with lights so drivers can see you!
- 6 Children should take part in cycling proficiency training before being allowed to cycle on roads.
- 7 Be aware of the blind spots around trucks and other heavy goods vehicles.
