Students of the month

Aaron Bennett

Aaron continues to work hard in class, he is an active participant and a willing demonstrator with practical and paper driven tasks. He is pushing his own site work having already completed two direct observations in the workplace. Congratulations Aaron

Luca Bailey

Luca has completed Pipe 1,3,4,5 and BWH 1,3,4,5. He has also completed very good work in his Onsite Portfolio. Well done Luca.

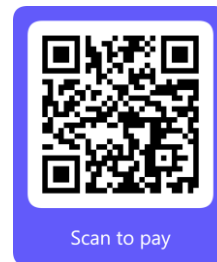

£10 Amazon gift cards to each of them.

Out with the old term, in with the new!

Well done to all the new students who joined us in October, you have all settled in very well and have showed great enthusiasm!

Christmas Raffle!

We are launching our Christmas raffle again; all proceeds will be going to [Suicide Prevention Bristol](#) who we are in partnership with. Tickets cost £10 and can be purchased from Reception, or via the QR code! The draw will take place on Friday 15th December. The prizes up for grabs are...

1

**£200 AMAZON
GIFT VOUCHER**

2

**£100 AMAZON
GIFT VOUCHER**

3

**£50 AMAZON
GIFT VOUCHER**

National Road Safety Week is 19th – 25th Nov 2023

Earlier this month the Government released its latest figures on road crashes, revealing that 1,711 people died on British roads in 2022, a rise of 10% from 2021. A further 28,031 people suffered serious injuries.

TOP TIPS TO STAY SAFE

- Drivers need to remember to carry out vehicle checks before every journey.
- Passengers must remember to always wear a seat belt. Children should be in a correctly fitted child seat.
- Stick to the speed limit!
- Never drive whilst under the influence of drink or drugs.
- Always wear a helmet when cycling. Bikes should be fitted with lights so drivers can see you!
- Children should take part in cycling proficiency training before being allowed to cycle on roads.
- Be aware of the blind spots around trucks and other heavy goods vehicles.

Committed to providing you with the best opportunity to achieve your goals.

END POINT ASSESSMENTS

We would like to congratulate all the students who have recently taken their EPAs this quarter in our purpose built EPA assessment area. 10 students have passed, 6 With 'Pass' Grade, and 4 with 'Distinction'.

These are great results; we hope you are just as proud as we are! Here are a few of the successful apprentices. Congratulations!

Darren Stevenson

Ashley Burrett

Ewan Grant

Josh Holbrook

Jack Dowling

Exciting New Apprenticeships and Courses!

We are now delivering the Level 3 Electrical Apprenticeships; [The Domestic Electrician](#) and the [Installation and Maintenance Electrician Apprenticeship](#). We are enrolling now for April 2024 start dates!!

Also coming in April are courses for qualified Electricians, such as 18th Edition, EV Charging Installation and [Inspection & Testing](#). Call us on 0117 971 1770 or email info@swconstructionacademy.co.uk for more information.

Welcome to our new staff who have joined us recently!
