

SWCA NEWSLETTER

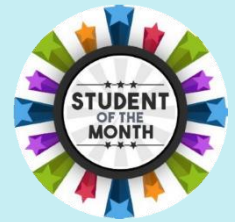

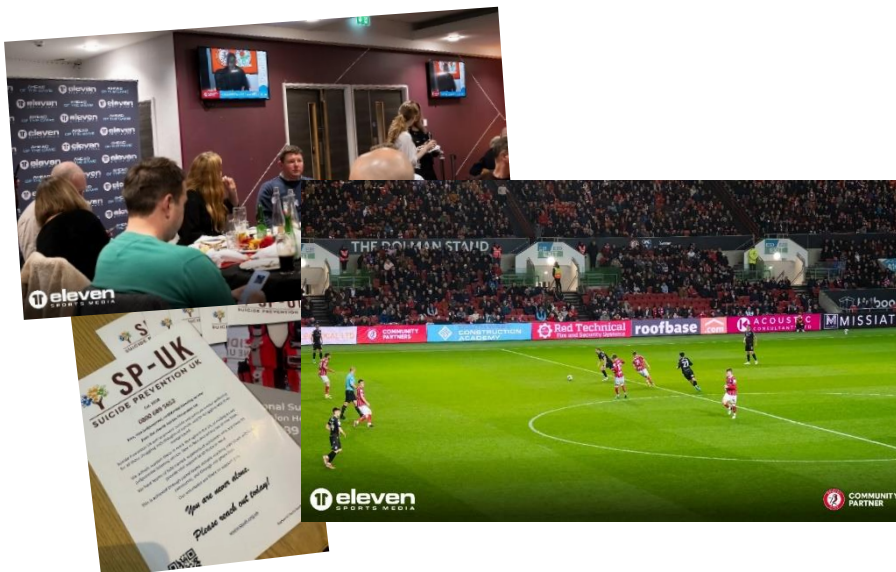

Charity Raffle

We have recently become a Bristol City Community Partner. You will see our name around the pitch on the home games. Eleven Sports Media have kindly sent us a signed Bristol City football shirt which we will be putting up for raffle to raise money for our charity partner Suicide Prevention Bristol.

Tickets are now on sale at £5 each. Use this QR code to buy tickets.

Posters will be up in reception and the classrooms and details will also be found on our website. Keep an eye out! The draw will take place on Monday 29th July. Good luck!

Student of the month

March
Cory Humphries

Cory has completed his portfolio of site evidence on time and to a good standard.

Well Done Cory!
We hope you enjoy your £10 amazon gift card.

SWCA NEWSLETTER

Green Energy is coming to SWCA!!

Plans are well underway for developing our air source heat pump courses. We will be working hard over the summer months to extend the workshop area to include a mezzanine where we will have the heat pump classes and workshop.

We have partnered with Grant Heating, who will be supplying the heat pumps and equipment needed.

The Department will be headed up by Andy McLean following his recent promotion, and we will be developing the curriculum for the Low Carbon Heating Technician Apprenticeship ready for launch in September.
